Adam Carmo recently completed his Eagle Scout 'Free Little Libraries' Project in the Borough with the help of the Scouts from Duncannon Troop 64.

Thank you Adam for your contribution to our community!

We are all in this together

As members of our community it is our responsibility to follow the rules set up to keep our Borough as safe and clean as possible. To this end, a street sweeping routine is in effect to remove materials that collect on our streets. These materials can clog storm drains, causing possible street flooding. In addition to increasing the possibility of street flooding, the materials are a safety hazard for cars. The safety issue is especially concerning for people on motorcycles, bicycles and in some cases pedestrians because of the increased chance of sliding on the material that can build up along the streets.

The Duncannon Borough Streets department has established a street sweeping routine and will do their utmost to adhere to this schedule. The street sweeping endeavor is influenced by weather (like last summer's water restriction), equipment and staff availability. The Borough realizes that in the past, street sweeping has at times been sporadic. Measures have been taken to normalize the situation. The Borough will street sweep when conditions are appropriate and the staffing is available.

So, please, for the safety of all involved, yours, your Duncannon neighbors and the Borough Streets dept., move your car when it's your side of the street that's set to be cleaned. I have found that many times throughout life that it is best to "error on the side of caution". This advice has kept me from potential trips to the ER on many occasions and will keep you from getting parking tickets in the future on street sweeping days.

Sincerely,

Rick Knepp

PS. Street sweeping advice in a nutshell "If in doubt, move it out"

WATER SYSTEM IMPROVEMENTS

In late June or early July, the Borough will be replacing a water main on Ann Street. The project will cover Ann St. from where it meets Cumberland St. to Market Street. Shortly after that project is complete, we will begin refurbishment of our standpipe at Cooper Field. These 2 projects are partially paid for by grants and low interest loans from PENNVEST. This money is made available by the Federal Governments Infrastructure and Recovery Act.

Our money is coming back to our town.

During these two projects we are asking our residents to conserve water. If we do not, we may have to put mandatory restrictions in place. We would prefer not to have to take that action. If we all conserve a little, it will be a big help and make completion of these projects go more smoothly. Thank you in advance for your cooperation.

SPRING IS HERE!

Once again, I would like to thank Kim & Lee Wright of NEW BLOOMS for the hanging baskets on the Square. NEW BLOOMS has been donating the flowers for many years. Our local businesses have been very generous, return the favor and buy local!

The Duncannon Main Street Committee is responsible for the new containers at the Clock Garden by the Mural. New flowers will be planted in the next few weeks, all possible thanks to donations from our local businesses. The facades of numerous buildings downtown have been painted and repaired from Grant monies obtained through the Perry County Economic Development Association. Lets all pitch in to make our town a better place to live and play. Pulling weeds and keeping things cleaned up makes a big difference in our community

Downtown Parking

The Municipal Parking lot just off the Square in Duncannon is usable, but not quite complete. This parking lot at the Former 18-28 N. Market Street is a great addition to the parking available for our Downtown Businesses. This parking lot is not intended for overnight parking and is not provided to facilitate tenant parking.

DUNCANNON OUTDOOR CLUB

June 22nd – Come to a dog friendly, average paced 6 mile loop hike on moderate terrain from RT 850 AT trailhead to Darlington Trail to Miller's Gap Road back to 850. We will learn about dogs, what to do if attacked, dogs and hiking, etc. Meet at the State Game Lands 170 parking lot along RT 850 at 9:00 am. Call Deb at 717-395-2462 or email dtakach@duncannonatc.org to register and for directions.

July 13th – Learn about turtles/tortoises by hiking with the DOC at Wildwood. We will be hiking the 3 mile easy, loop trail at an average pace. We will be meeting at 9:00 am at the Nature Center parking lot. Bring binoculars and camera if you wish to photograph wildlife. Call 717-395-2462 or email dtakach@duncannonatc.org to register. This is a dog friendly hike, however, dogs must be leashed.

Aug. 17th – Hike up Hawk Rock in Duncannon to the blue trail and then to the old furnace stack off the reservoir road and back on the reservoir road for an approximate 12 mile loop hike over moderate, strenuous, and easy terrain. We will be learning about the Millipede, the earliest animal to leave water and breathe air. We will be meeting at 9:00 am at the Duncannon Recycling Center (40.382962,-77.033172). Call 717-395-2462 or email dtakach@duncannonatc.org to register.
